Eat Here Now Fundraiser Leverages Generosity of Local Restaurants, Offering Valuable Discounts to Coupon Booklet Holders

“This fundraiser has been made possible by the generosity of **33** participating restaurants that share the club’s vision – make the Asbury Park community an incredible place for all to live and work,” said **Cori Lewin**, President of the **Asbury Park Kiwanis Club**. They have made participation as straightforward as possible. Simply purchase (it’s a donation) a coupon booklet for \$30 (a \$350 value) and enjoy dining across town – at a discount – knowing your contribution will benefit worthwhile children’s initiatives.

UPDATE EAT HERE NOW - The fundraiser exceeded expectations, fueling our ability to fund youth enrichment programs all year. We also are so proud to share up to \$1,500 with other worthy not-for-profit organizations, including Asbury Park Music Foundation, AP Women’s Club, Keyport Kiwanis Club, AP Rotary Club and AP Little League.
