

KIWANIS CLUB OF ASBURY PARK JOINS ASBURY PARK CHAMBER OF COMMERCE

Club Excited to Leverage Chamber Influence and Connections to More-Effectively Serve the Needs of Disadvantaged Community Children

ASBURY PARK, N.J., Oct. 21, 2022 – Dedicated to serving the needs of children through fighting hunger, improving literacy and offering guidance, the Kiwanis Club of Asbury Park is excited to announce it has joined the impressive membership roster of the Asbury Park Chamber of Commerce.

“The Asbury Park Chamber of Commerce and our Club have complementary missions,” said Cori Lewin, President of the Asbury Park Kiwanis Club. “The Chamber is dedicated to promoting art, music, diversity and humanity, making Asbury Park an awesome place to visit, work and live. And there is no better place to start than with the Club’s focus – the incredible children of our community – also known as our future influencers and business leaders.”

By leveraging the Chamber’s targeted marketing initiatives and networking opportunities, the Kiwanis Club of Asbury Park, a volunteer-driven, non-denominational, not-for-profit 501(c)(4), will broaden its community outreach and inspire more to offer desperately needed support to the children. In order to realize the Club’s objectives, donations (e.g., financial, goods, services), volunteers and members are greatly needed from fellow Chamber of Commerce participants.

Further, the Kiwanis Club of Asbury Park can offer fellow Chamber members recognition, “shout outs” and more for their generous support. Areas of opportunity include, placing collection boxes or posters in store fronts/office locations -- promoting food, clothing and school supplies drives. Hosting fundraising events at local restaurants or other cool venues, mentions on local radio, raffle/auction donations, etc., will satisfy the Club’s and Chamber’s needs for acts of humanity and community growth.

“The sky’s the limit for the Kiwanis Club of Asbury Park with the boost and support we will get from being part of such a strong Chamber of Commerce,” concluded Lewin. “We need to get creative, think out of the box and continuously challenge ourselves to make Asbury Park a truly unique, welcoming, accepting, supportive, nurturing experience in every way.”
